

PRESS RELEASE

Central Market Stores Now Carrying Mendocino Mustard

For Immediate Release:

Pickerington, OH – May 9, 2024

Ohio-South Farm Products announced today that [Central Market](#), an H.E.B. company with stores located across Texas is carrying their Mendocino Mustard product and on store shelves now. The new addition to Central Market's specialty foods and condiments line initially includes the "Original" Mendocino Hot & Sweet Mustard.

Tom Gill, Co-Founder and CEO at Ohio-South Farm Products commented, "We are excited for Central Market to be the first major grocery chain in Texas to begin stocking our Mendocino Mustard Hot & Sweet product. The Mendocino Mustard flavor profiles offer the most unique and flavorful mustards products on the market today. Our spicy and sweet combinations are great with any grilled dish, cold cut sandwich or with your favorite charcuterie tray".

Since 1977, the "Original" Mendocino Mustard Hot & Sweet has been popular along the northern California coast. Restaurant Chefs from fast food sandwich chains to deli restaurants to fine dining establishments enjoy the versatility of its smooth and creamy texture and used as a flavor enhancement for many of their recipes. If your local store is not carrying our product just ask for More Mendo Please!

End of release.

Ohio-South Farm Products is a Specialty Foods company rooted in Central Ohio. Our great tasting products are made fresh from the farm with healthy, natural ingredients. We market our brands to national grocery chains, direct to wholesale customers, grocery stores, restaurants, and online direct to consumer. Many of our products were created by hardworking Specialty Food Industry entrepreneurs and sold at local farm markets before becoming national brands. Inquiries can be sent to info@ohio-south.com or go to www.ohio-south.com.
