

PRESS RELEASE

Giant Food Stores Now Carrying Mendocino Mustard

For Immediate Release:

Pickerington, OH – May 10, 2024

Ohio-South Farm Products announced today that [Giant Food](#), headquartered in Landover, MD with 164 stores located in 5 states including PA, DE, MD, CT and VA is carrying their Mendocino Mustard product and on store shelves now. The new addition to Giant Food specialty foods and condiments line will initially include the “Original” Mendocino Hot & Sweet Mustard.

Tom Gill, Co-Founder and CEO at Ohio-South Farm Products commented, “We are excited for Giant Food to be the first major grocery chain in the mid-Atlantic region to begin stocking our Mendocino Mustard Hot & Sweet product. The Mendocino Mustard spicy & sweet flavor profile profiles offer the most unique and flavorful mustard products on the market today. Our Mendocino mustards are made with all natural ingredients and a perfect complement to any grilled dish, cold cut sandwich or with your favorite charcuterie tray”.

Since 1977, the “Original” Mendocino Mustard Hot & Sweet has been popular along the northern California coast and sold at most local markets and grocery chains. The product is also used by hundreds of restaurant Chefs including fast food sandwich chains to deli restaurants to fine dining establishments, the smooth and creamy texture is an added flavor enhancement to many of their favorite recipes. If your local store is not carrying our product just ask for More Mendo Please!

End of release.

Ohio-South Farm Products is a Specialty Foods company rooted in Central Ohio. Our great tasting products are made fresh from the farm with healthy, natural ingredients. We market our brands to national grocery chains, direct to wholesale customers, grocery stores, restaurants, and online direct to consumer. Many of our products were created by hardworking Specialty Food Industry entrepreneurs and sold at local farm markets before becoming national brands. Inquiries can be sent to info@ohio-south.com or go to www.ohio-south.com.
